Delicious Dishes have undergone training in allergen awareness and food intolerance and have implemented a system to make you aware of the 14 EU registered allergens in our food. Whilst we are taking every care to protect customer safety if you or any of your guests have an allergy please ask our staff to show you the menu and which allergens are present.

This menu may contain all or some of the following: celery, gluten, fish, egg, seafood, lupin, molluscs, mustard, nuts, peanuts, sesame seeds, soya and sulphur dioxide.  
We can provide 'chef cards' for guests to hand to our staff.
